The Benevolent Association's Home for Children. This is a branch of the Benevolent Association, and was opened May 24th, 1873.

Object: To afford a home, food, schooling and clothing for destitute, neglected children, and, at a suitable age, to place them with respectable persons and families, to learn some useful trade or occupation, and thus aid the Benevolent Association in its work, as one of its greatest difficulties was that many children needed help whose parents were poor and unworthy, and that some children, without
